

The Healing Power of Storytelling with Mark Yaconelli

SATURDAY, May 4 from 10 am to 3 pm in person

First Presbyterian Church of San Rafael

Stories tether us to what matters most: our families, our friends, our hearts, our planet, the wondrous mystery of life itself. Mark will guide us into telling our stories that help us remember who we are, and to listen to stories of others that will invite kinship with one another.

Mark Yaconelli, author of *Between the Listening and Telling, How Stories can Save Us* is a writer, spiritual director, storycatcher and community-builder. Interviews and profiles of Mark's work have appeared in the Wall Street Journal, Washington Post, BBC Radio and ABC World News Tonight.
